

PARTNER WITH KEY SEED INDUSTRY STAKEHOLDERS

Become an ISF Affiliate Member

The International Seed Federation (ISF) connects you to the right people and opportunities to grow your impact in the seed industry - engage with senior decision-makers, build strategic partnerships, and be part of meaningful exchange driving the future of the seed sector.

TOP BENEFITS OF AFFILIATE MEMBERSHIP

Showcase Your Expertise at the World Seed Congress

Present your solutions to a global audience as an exhibitor, build relationships with decision-makers and gain visibility as a sponsor at the sector's leading annual event.

Build Trusted Relationships with Key Stakeholders

Engage with seed companies, national associations, and regulators through targeted interactions at ISF events and online platforms.

Stay Aligned with Industry Priorities

Deepen industry knowledge and stay informed on sector developments with timely insights on regulation, innovation, trade and sustainability through ISF technical briefings.

Collaborate to Develop Innovative Solutions

Position your organisation through technical exchange, joint initiatives, and solution-focused collaboration with seed industry leaders.

Contribute to a Resilient and Sustainable Seed System

Join an international community working toward sustainable agriculture, innovation, and food system resilience – with space for diverse perspectives.

Strengthen Your Voice & Reputation

Affiliation with ISF signals trust, expertise, and alignment with industry priorities – enhancing your brand's authority in a science-based sector.

WHO CAN JOIN?

Affiliate Membership is open to **organisations active in the seed value chain** – such as R&D, packaging and crop protection companies, seed testing labs, and industry associations that do not qualify for Ordinary Membership.

WHAT MAKES ISF DIFFERENT?

The only global seed industry federation offering direct access to decision-makers from leading breeding companies and national seed associations

Leverage unique business opportunities through the ISF World Seed Congress – attended by around 1000-1500 delegates each year

Access first-hand industry insights through the ISF Member Portal and regular ISF updates

GROW YOUR RELEVANCE IN THE GLOBAL SEED INDUSTRY

Build business relationships. Access strategic insight. Position yourself in a trusted global network.
